

Hello Everyone! Sin-able Sweets has an announcement of a new function on our website.

If you are wanting to order one of our Centralized Distribution Points (CDP), you can now order, select the CDP you want, and pay for it!

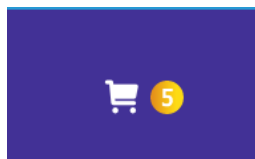

Here is a link to our blog post on our website with all the information on how to order for a CDP (or for a Bakery Pick Up): [Website Link Here](#)

Here is a simple explanation if you have used our website before:

You can click directly on the “Our Shop” link:

Order the items you would like brought to the CDP. When you are done with your order, click on the cart icon at the top

and you will see your shopping cart. From here, scroll down to Proceed to checkout

On the Checkout Details page, there is a bar that you can choose either BAKERY PICKUP or CDP. If the button is black and the lettering is white is what you have chosen. If CDP, there will be a \$10 CDP fee on the right side of the screen under Shipping. For the CDP, please confirm the date(s) you are choosing is the correct CDP location, the drop down shows the location and date(s).

The screenshot shows a checkout form with a purple background. At the top, there is a 'DELIVERY TYPE' section with two buttons: 'BAKERY PICKUP' (grey) and 'CDP' (black with white text). A red arrow points to the 'CDP' button with the text 'Black with white lettering'. Below this, there are fields for 'DATE' (October 22, 2020) and 'TIME' (4:00 PM - 5:00 PM). A red circle highlights the date field, and a red arrow points to it with the text 'Dates Match'. Below the date and time fields, there is a dropdown menu for 'Select a pickup location' with the option 'Gresham - Oct 22, Nov 19 and Dec 17' selected. At the bottom, there are fields for 'FIRST NAME' and 'LAST NAME'.

As you scroll down, the total shows, including the CDP fee, and then you can pay with your credit/debit card right there. After you click for the website Terms and Conditions, click on Place Order, and then you will go to the confirmation page and will receive an email confirming order has been received! Please go to our other blog posting called Ordering Blog Post, there is a full explanation of all the steps for ordering for a CDP.

You are still welcomed to place an order by email if you want. Please send those emails to reply@sin-ablesweets.com.
